

#### **64. Mother Earth (Neil Young)**

O mother earth with your fields of green  
once more laid down by the hungry hand  
how long can you give and not receive  
and feed this world ruled by greed  
and feed this world ruled by greed

Oh ball of fire in the summer sky  
your healing light your parade of days  
are they betrayed by the men of power  
who hold this world in their changing hands  
they hold the world in their changing hands

Oh freedom land can you let this go  
down to the streets where the numbers grow  
respect mother earth and her giving ways  
or trade away our children's days  
or trade away our children's days

respect mother earth and her healing ways  
or trade away our children's world
