

69. The Factory (Bruce Springsteen)

Early in the morning, factory whistle blows
man rises from bed and put on his clothes
man takes his lunch, walks out in the morning light

Refrain

It's the work

the working, just the working life

the working, the working, just the working life

Through the mansions of fear, through the mansions of pain
see my daddy walking through them factory gates in the rain
factory takes his hearing, factory gives him life.

Refrain

End of the day, factory whistle cries
men walk through these gates with death in their eyes
and you better believe somebody's gonna get hurt tonight

Refrain

Early in the morning, factory whistle blows
man rises from bed and put on his clothes
man takes his lunch, walks out in the morning light
